About the Event: This year our Preview Benefit will showcase several outstanding exhibits: first, the fifth annual “Flowers Around the World” floral displays created by Washington embassies (each one a work of art) plus an unusual collection of Ukrainian artifacts, handiwork and memorabilia. Our guests, mingling with the Embassies' designers and diplomats, will sample Ukrainian spirits and delicious fare while being dazzled by the beauty surrounding them. A select grouping of special Silent Auction items will be available for bids as well as the sale of raffle tickets that will offer a fabulous trip to Ukraine.

Proceeds benefit the Cathedral's gardens and grounds.
